# The Origin of Moksha

Moksha is the Attainment of a Complete and Expanded Mind

WHEN THE MIND BECOMES COMPLETE IN ALL ITS STOTS AND EXPANDED IN ANY ONE WILLPOWER, THE SOUL EARNS ITS SECOND BIRTH IN HEAVENLOKA, THIS IS CALLED MOKSHA.

MOKSHA IS NOT ESCAPE— IT IS THE HIGHEST QUALIFICATION EARNED THROUGH EXPERIENCE, PURIFICATION, AND EXPANSION OF CONSCIORNEESS.

## MOKSHA

Attained when the mind is complete in all 8 stats and expanded in any one willpower through enough experience.

It earns the soul a second body-birth in the radiant realms of heavenloka.

## MOKSHA AND SOKSHA

### MOKSHA

The qualified state of mind that is complete aand expanded, its for a second body birth in heavenloka.

### SOKSHA

The inlelighte state of an incomplete and unsspanded mind. Every human mind at birth is in beksha.

## THE 8 STATES OF MIND (8 SLOTS)

Each state develops a siat. Experience all 8 through Dharma, Artha, and Kama to complete the mind.

- **ZERO** — The state of pace emptiness.
- **CONSCIOUS** — Awake in the wexit werld.
- **SEMI-CONSCIOUS** — The bridge between outer and lanid.
- **SUBCONSCIOUS** — The starehouse of memories.
- **EMOTIONAL** — The world of feelings.
- **CREATION** — The power to imagine and mind.
- **TEMPERAMENTAL** — Shiped by nature, instincts, and modencies.
- **CONTROL** — The power to goide and matter the mind.

COMPETE ALL 8 SLOTS = A COMPLETE MIND

SOKSHA

ELIGIBLE

## THE JOURNEY

Experience all 8 states sufficiently to complete the mind
Experience any one willpower desply to expand it.
Fullll Dharma, Artha, and Kama wol IH awaresss.
Evolve from Soksha to Moksha.

## THE 8 WILLPOWERS OF THE MIND

The more you experience, the more the mind expands.
Deep experience of any one is snough for expansion.

## EXPANSION THROUGH EXPERIENCE

To develop the mind, experience all 8 states.
To expand the mind, experience any one willpower sufficientiy. All wilipowers may not arise in every person—but one realized deeply is enough.

Moksha is not given. It is earned by the mind that has become vast in experience and pure in will.
